

Waiver of Responsibility (Pick up in the main office)

I understand that SCRIP certificates are the equivalent of cash and cannot be replaced should they be lost or stolen. I further understand that when I request that certificates be kept in the school office for pick-up, I will have to sign a paper stating that I have received the certificates each time I pick them up. I understand that I can pick up my certificates during regular office hours (7:30am-3:30pm) and that certificates will not be ready for pick-up until Thursday afternoon.

I will not hold Columbia Catholic School or its representatives responsible for certificates that are lost or stolen.
